About us

All the products we use in the salon are certified organic and, as well as working extremely well and smelling gorgeous, minimise the impact on your body and the environment. We use Oway (Organic Way) hair colour which is the first professional haircare line based on zero mile biodynamic extracts, micronised plants, hydrolates and essential oils. The colour is also ammonia-free, cruelty-free and made up of the most non-toxic ingredients available today. This means healthier, longer-lasting and more natural looking colour without the damage associated with traditional colour products.

You'll automatically be included in our loyalty scheme once you've had your first visit. You'll receive a point for every pound you spend in Goji on all treatments, services and products; before you know it, you'll receive a money-off voucher from us as a thank you.

We ask that clients provide a minimum of 24 hours' notice of any cancellations. We understand that there can be a variety of circumstances leading to a cancellation and we will try to reschedule where possible. Repeated cancellations will lead to a polite request for a 50% deposit at the time of booking.

We are always happy to offer a complimentary consultation, so please call to book in.

A patch test is required at least 48 hours prior to the first colour appointment and this can be combined with a consultation, or just pop in.
