About us

The products we use in the salon are certified organic and, as well as working extremely well and smelling gorgeous, minimise the impact on your body and the environment. We use Oway (Organic Way) hair colour which is the first professional haircare line based on zero mile biodynamic extracts, micronised plants, hydrolates and essential oils. The colour is also ammonia-free, cruelty-free and made up of the most non-toxic ingredients available. This means healthier, longer-lasting and more natural looking colour without the damage associated with traditional colour alternatives.

You'll automatically be included in our loyalty scheme and will receive a point for every pound you spend on all treatments, services and products. Before you know it, you'll receive a money-off voucher from us as a thank you.

We ask that clients provide a minimum of 48 hours' notice of any cancellations. We understand that there can be a variety of circumstances leading to a cancellation and we will try to reschedule where possible. Any appointments that are cancelled with less than 24 hours' notice will be charged at 50% of the service. A 50% deposit is required for all first appointments for new clients.

A patch test and colour consultation is required at least 48 hours prior to a first colour appointment.
